

## Details

### Mount Victoria Station

New accessibility lift - TfNSW to provide installation timeframe  
Patrick Street carpark & bus interchange  
Toilets - have opening hours changed?  
Permanent 40km speed limit Harley Avenue and Station Streets - requested by MVBA / MVCA

### Pedestrian pathway - Rail Station to Hobb Lane

Location of speed changes - too close to current pedestrian pathway at Mount Victoria Train Station  
TfNSW have cleared vegetation but this is a BMCC responsibility  
TfNSW looking at pedestrian safety at this location - TfNSW may have to close off and relocate - note concerns of both MVBA and MVCA, residents and business owners need a safe pedestrian crossing at Station Street at the station precinct  
TfNSW are investigating temporary traffic lights and other means to improve pedestrian safety in both Station Street and Harley Avenue. TfNSW to come back to MVBA & MVCA with options.  
TfNSW to mock up new detour signage, like what was done for Hartley at Lithgow, for Mount Victoria, particularly the Ampol, Closeburn House and Mount York to present to MVBA & MVCA  
TfNSW to check signage at intersection of Harley Avenue & GWH to stop confusion where detour traffic comes out onto the highway without giving way to highway traffic  
TfNSW to repaint the new town entrance speed signs to 40KM not 50KM  
Request active monitoring of noise / pollution / vibration for properties directly impacted by the diversion through Mount Victoria  
Access to traffic data  
Double glazing and sound proofing measures  
1.2 Hartley Vale Road

### 1.3 Shuttle bus between Lithgow station and Little Hartley

Contingency plan when diversion is shut due to accident / event  
Winter weather and black ice  
Bushfire contingency planning  
Remove broken lines to eliminate overtaking opportunities  
Traffic monitoring to be done on the BLOR, same as on Causeway & Chifley Road  
Convert private access between the three valleys to public access

Either run trucks across the Blue Mountains in set hours like during the Sydney Olympics or divert some of them to the Hume/Golden to take pressure off

Will the ban on PBS level 2 trucks remain in place?  
Remove the word 'closure' from electronic signage across the network
